

March 29, 2020

To our Silver Blades families:

We hope everyone is doing well in these uncertain times and following all recommendations to help prevent and combat the spread of COVID-19. We look forward to the days when we can get back to the rink and our routines.

It is a great unknown, at this time, when that return to our familiar routines will take place. Given the information we presently have, Silver Blades Skating Club's Board of Directors has decided to move forward as if our season is over. Outlined below are the options we are offering regarding refunds and/or credits for next season.

Registration for Skating Sessions:

At the time the Civic Centre closed, there were 2 weeks left of the Winter Session for Canskate and 4 weeks for the Spring Session. Parents can choose:

- Refund or Credit (on Uplifter toward next year's registration) for Winter Sessions Remaining **(\$30)**
- Full Refund or Credit (on Uplifter toward next year's registration) for Spring Sessions, if already registered **(\$45)**

Ice Show (this is the one that makes us the most sad):

Due to the cancellation of Ice Show, fees will be refunded. **(\$25)**

*We ask that each family **reply to presidentsbnl@outlook.com by Friday, April 3, 2020** with their **skater's name and choice of a credit or refund** for the skating sessions. Please include which **adult's name to write on the cheque**. **If we do not hear from a family by Friday, April 3, 2020** fees will be credited to their skater's Uplifter account for next season.*

We ask for patience and understanding as we work through what will be a time-consuming task to process each family's choice. Thank you for your anticipated cooperation.

Stay safe and take care,

Silver Blades Skating Club
